I have mentioned before the issues I am having with this lady I have know for many years
It has now gotten to the point where I'm very concerned that I can't get her out of my life and not that I want to be with her but that she won't stop
Both [REDACTED] and Deana are away this weekend and I can't tell you how much I miss them and would never want to be with out them - I'm so distraught- I have been concerned for many many months but now it's starting to really effect me - I can't have her ruin my life or my children's - I love them so much - as I have told you often - my family means everything to me
Your always great at helping me figure things out and you have always been there for me
Maybe next time your in nyc we can discuss
But I'll just say - I never want to be with out my family- as a family
Sorry for the rambling- but --
