Ok Jeffrey I spoke to my future wife and she would be part of the package. You asked what my future plans are this morning and I told you I would be getting married. I also plan on working as a team with her.

If you are happy with this then we would be available from April.

It could be a three month contract after which you can either extend or terminate the contract.

I have attached our joint resume so you can get an idea of what [REDACTED] does.

I do understand that you are interested specifically with my services and my proposal may not work for you.

Whatever you decide I am honoured that you offered me this opportunity.

Best regards

Thanks for the offer to visit the island but February is quite busy so I may not get the opportunity.

Regarding our conversation this morning I would like to ask a few questions.

I need to have some idea of how this job will work in terms of when I need to be available and for how long.

As I mentioned I am getting married this year so there will be times I need to away.

Thanks.
