[REDACTED] is on the statement? dont know. unlike driving, which you went to class. school has been years and you have done nothing about it. . i dont think you should give up. BUT you have told me the same exact story five times. i will i promise i will i really promise i will. this time i will. . . rememeber if you dont have a paying part time job a month from today. our deal is over. . you have lied over and over to me. though our agreement was that you can tell me anything but cannot lie. you tell me about batman, but you lie about psychology grades? you stole money, and then did it again. took money for one class. spent it on another, when asked about it, didnt tell, but like the cartier bracelet got caught when i saw the computer screen. . no mention of it at all to me. not once. . fyi, everyone wants to save money. I like it that you say you dont want to waste it. I guess paying for school is a waste in your mind.?

I don't want to give up my studies for any reason. I want a degree and will have good grades. Just as my driving liscence, I failed it the first time and then got it at my second try. I don't want to give up. What is [REDACTED] massachusetts? Which date? In my [REDACTED] bank account I do still have money but it's the money I'm trying to save, I don't want to waste everything and arrive at the point of having zero. I'm still in Rome and will be back in Paris tomorrow. My classes begin on Monday. Hope you are well

I always keep my promises. you have yet to keep any. . Im not sure what to do about it.
