Hi: Checking in. I'm in LA (Santa Monica), not back in NY until early June. Skype/FaceTime to go through book?

Also, how about a private, pick-me-up Skype/FaceTime on geopolitics - I had quite a fill with Xi's elimination of term limits - eat your heart out, Donald!

Take care, Robert

Jeffrey:

Attached is the much-revised, pre-production book for Radical Breakthroughs - featuring, as you requested, five and one-half totally new episodes (out of 13) and with video links for almost all potential participants.

I am copying Peter Getzels, Closer To Truth co-creator and producer/director. When you have reviewed, I suggest the three of us meet in NY to go through participants, themes, ideas, etc. (Peter is in DC and would come up.). Or, if your and my windows in NY do not soon overlap, then let's do on Skype.

We are very excited about the Radical Breakthroughs series - a "breakthrough" in itself. Our Closer To Truth team is looking forward to the production.

Please confirm receipt.

Robert
