Good day Mrs.Dubin,

It's with great pleasure to write you and say hello. I hope all is well and you all had a great start of the year. Emily got in touch with me about a work opportunity you mentioned for one of your friends. I'm still working for a prominent family traveling back and forth from Palm Beach to Lexington, KY. However, I would love to discuss this new job opportunity. My good friend from NY, his name is Aldo, is also an estate manager and is finishing a work assignment in south Florida so we would both love to discuss this new job opportunity. I have attached his resume for review. He's very talented, super hands-on and is flexible to travel at any time or relocate if needed. We both have extensive travel experience.

I look forward to hearing from you soon. Thank you so much for your time.

Sincerely,

Lucia
