Hi Jeffrey,

Happy new year and happy early birthday. I am sending you the most sincere warmest wishes! May you get everything that you want this year.

I admire you and honor you and your journey so much! I have so much respect for you and you are a true inspiration on handling life and living to the fullest and handling obstacles in the best possible way.

I am eternally grateful to you for the experiences we shared and you are a role model to me ten years later.

I send you my love and wish you to experience the absolute best that life has to offer.

So here's what I've been up to...

I am a certified massage therapist in [REDACTED] and have been working in the industry for a little less than two years. I am really good at what I do and have raving reviews. I feel like it's part of my talent and I really enjoy helping people feel better. I work in private practice and for a mobile massage company (soothe.com) I enjoy meeting new people and making a difference. I am proud to say I have five star reviews. 😊

I am also pursuing a life/business coaching certification from one of the best schools in the country [REDACTED] I am in the stage of completing my certification and I feel like I found my true calling. I am really good at it and I love it. I can move people from being stuck to achieving their goals and that process feels very powerful and rewarding.

I am in a relationship for a year and a half and it is the healthiest and most fulfilling relationship I ever had. I am very grateful for it.

Everything I have in my life right now I feel very grateful for and you a part of it.

Half the time I ask myself "what would Jeffrey say?" and I know what you would say and I follow that and every time it works beyond my expectation. I am so grateful to you for that. I can attribute half of my success to you ten years later. So I am forever grateful.

I hope that you are doing well. You have a friend in me for life. I send you my warmest regards and hope we can keep in touch.

Love
