Dear Barbro,

By coincidence, I've decided to extend my stay in Stockholm until the end of January, so if you have time when you're here, I'd be delighted to meet with you.

I am 25 years old, turning 26 in June. In regards to the picture, please find attachment.

Kind Regards,

Jennifer Lönnroth <[REDACTED]>

Subject: Ref Ann Lilliequist/Agneta Trygg

Dear Barbro,

God fortsättning och gott nytt år!

My name is Jennifer Lonroth, I got your email address from my godmother, Ann Lillieqvist at Summit. As she mentioned, I've recently graduated from Regent's University London, with straight A's and on Dean's list for three consecutive years.

Following this accomplishment, I'm looking for new opportunities to put my skills to use in order to improve and excel. I have heard that you are the expert at this, thus, it would be a privilege if I could buy you a coffee and pick your brain a bit. I will be in Stockholm until around the 10th of January if you will be here.

I have attached my CV and personal letter, in case you want to know a bit more about me.

Thank you so much for your time and I look forward hearing from you.

Best Regards,

Jennifer Lonroth
