Hi Jeffrey. Hope all is well.

Marc asked me to forward these materials to you. I think it would be more productive to walk you through the materials than spend any time here explaining them. One point to emphasize is that the “fully tax free” alternative (in the first set of slides) is purely for comparison purposes and is not based on any legal conclusion that a transaction of the sort contemplated could be executed on a fully tax-free basis.

Let me know when you would like to discuss.
