merwin just informed me that that switch was never brass and was originally beige and that is what Al replaced it with
Al replaced from his temporary white switch with handwritten H M L to a beige switch with engraved HML
please advise if ok or if you would like a brass or another type of switch in dressing room
thank you

Ok
My understanding is that we are waiting on 2 plates outside your MBR
They were not made correctly by Lutron when all others were installed
Please advise if others
Merwin also wanted to make sure you were ok with switches in massage room

Thank you
