bummer. but thank you *very* much for letting me know-- it helps me know the kind of people I won't be hiring and also to double down on other areas. It would be great to know when Templeton might be more likely as I think I am doing a lot of what they want, and with the people (Penn Positive Psychology) they already like.

Things seem to be coming together for a focus on Poetry and Arts (have raised 80k for that) and would like to build. I'd love to meet Leon and Debra and to thank them and to talk about art and poetry. To thank them especially for what they've already done and to ask Deborah to consider my board.

Is there an email that will get to them directly?

thanks so so much Jeffrey.
