As i said yesterday, pointing out places where i think my friend might be taking unnecessary risks has become tedious and trying. Structures that have been set up 2 years ago. were done so to give you protection and flexibility, NOT FOR ME< for YOU they required hiring staff that could manage these complex entities. you told me over the past two years that as i set them up i should be responsible for their operation. That was never the deal , never. I have heard after -care etc for quite a while. in dec when you unilaterally decided to pay me much less than our agreed amount , we agreed NO MORE money discussions NO MORE after care. The silliness has reached its pinnacle when you suggest i am responsible for the lack of sophisticaion and thoughtfulness of the 1031 transactions that NO one even told me about. asked my advice or gave me any notice at all before the fact. same as the structure for the CALif house. I would remind you , though Heather is great, it was not she that modified the gagosian contract to give you the protection that resulted in your having no liablity, though you tell me she has done these things many times.
