Please see below & attached. Any thoughts of anyone you know that I could ask?

We are thrilled that PHILLIPS has generously agreed to partner with the Dubin Breast Center again on their major spring New Now Day Sale on Monday, February 29, 2016. We are currently soliciting consignments for the auction, including contemporary paintings, drawings, sculpture and photographs with a minimum estimate of \$10,000 to be offered in the sale. The Suggested Artist List attached indicates those that would be excellent fits for the sale and we would gladly consider others. PHILLIPS will again designate the net sales proceeds to the Dubin Breast Center and will waive their vendor's commission in addition to other related costs, including shipping, insurance, catalogue production, and marketing. We have secured donations by artists Kristin Baker, George Condo, Kiki Smith, da Corte, Louise Nevelson, Sarah Crowner, Ellsworth Kelly, Keith Haring, Cindy Sherman, and Hunt Slonem, and several other collectors and galleries are in the process of confirming their donations. The deadline to secure donations for the sale is Monday, January 18th.
