I'm at the Elkus' this weekend and John Douglas is here. My health is mostly recovered and I credit this - which is wild cause part of me finds this SO out there. So I mention this to no one really, but am so grateful to be feeling well again. John Douglas says hello to you. Bill Elkus also says "hello."

I'm in LA through New Year's Day.

Then to Dean Kamen's and NYC where I'll see you after the techie event in in town to attend.

Started working with UChicago on the Essential Self Tech RWJF grant. We'll see where that goes.
Pschophysiology & tech.

In touch with Barnaby.

Still really enjoying Joi and the Media Lab.

Spending time in Raleigh, which, along with Boston (except winters) may become my east coast "home."

What's up with you, F?!

Happy holidays!

Xoxo
