Greetings Pete,

I am trying to get a shipping quote for the doors and accessories. Can you tell me an estimated size - height, length, width and weight - for these doors and accessories when crated/packed? And can you tell me the Country of Origin for the accessories - I presume the doors are made in the USA.

Kind regards, Daphne

Hello Danny,

Sorry for the delay, I took last week off and now trying to catch up.

Here is the revised quote on the special-Lite doors, frames & hardware.

I eliminated all the panic devices and mullions as we discussed and included cylindrical lever locks and flushbolts on the inactive doors.

Thank you for your patience

Have a great day!
