Does the Post just make this stuff up? Sheesh! Anyway, I would certainly be interested if the Patterson franchise expands into nonfiction. Thanks again. Michael

Hi Michael,

Nicole forwarded me your inquiry re: James Patterson. There's no book on Epstein at this point.

Connolly has been working on an investigation for several years, and since he and Jim are both from Palm Beach they have met. Eventually they might see if there will be enough for a book, but it is too early to tell at this point.

That said, if something does materialize, I'll be sure to let you know. Let me know if you need anything else.

My best,
Sabrina
