Hello,

I received shipping confirmation on some of the plates and pending shipping for the rest tomorrow. Our arrival next week to finalize the plate installation and install the last two dimmers will be based on Mr. Epstein's schedule. I would like to schedule the work with George and Luigi for the dimmer installation and programming and have my junior installers handle the plate installation. We will have 4-5 technicians plus myself in the residence on the day of the installation. That may be very disruptive to Mr. Epstein's schedule and as such it would be best if he is out of town. Please advise and we will schedule accordingly. Thank you.

Regards,

Al
