Dear Richard,

I am sure you will agree that there is simply no point in me wasting your time by providing assurances/time frames that are outside my control.

Jeffrey is a very long standing friend of 25 years plus. He knows full well that I will honour my debt. It's a matter of great embarrassment to me that again I have taken longer than planned to do so.

Take it as read, that this is a matter of top priority. It has neither been overlooked or forgotten.

With best wishes,

Mark

Unfortunately that does not give me comfort that loan will be repaid soon.
