Post never tires of writing about you so it seems. Nonetheless I hope this finds you well. I'd love to catch up and talk a little about EB5 financing and how USVI EDC's could benefit. I sit on the Board of EB5 Bridge, a b2b eb5 publishing and conference platform and matchmaker for EB5 compliant deals. I'm contemplating a purchase of a business in the USVI, hospitality biz, and I want to wrap my head around tax efficient structures. For the life of me, given the ability to work online, I cannot understand why more businesses aren't locating themselves and their execs in the USVI. Its a problem I want to be part of the solution for. Any interest in talking about this?
