Leon Botstein is asking if any of the below might work for you to meet...

Here are some "maybes":

- Late Thursday, December 3rd, around 9 pm.
- Saturday, December 5th, probably the morning is best.
- Saturday, December 12th, around 4:30 pm

Again, I would need to confirm each of these on my end, but let me know if any of them sound feasible.

Thanks!

Catherine
