---

lets get it right , no rattles or squeaks . cushions on the rear with a back so people can sit back facing foward ,  
ed thought a big rail as well?

Jeffrey

Just met with Nick at "Nick's creative marine, Nick will accomplish most of mechanical work on Nautica,,  
some cosmetic.

He rigged the steering and installed the Suzuki engines that Ed purchased,,

Nick also knows the same fiberglass guy that Ed will use to repair rear deck, he's only comment was, he's  
typically 1 month late with his quote for completion, just heads up.

Thx  
Larry
