tell him that you think he is really great. you never want anything to come between you and him, you feel uncomfortable about what happened re oren. you always want to tell him everything, can you tell him it was kissing. no real sex.? . if not. just say you know that that one time with oren was a mistake, and you were ashamed of it. . ([REDACTED] s line P.) you care for him so much you did not want him to think less of you

Also the first time he asked me if we were just friends with Oren, I said yes.

And then he was talking about the girlfriend later and brought up up again, asking if anything had ever happened. I said yes and told the truth.

He said I should have told it myself from the beginning.
