Jeffrey,

I'll confirm with Pete the fan air modulation valve.,and whether voltage fluctuations damaged anticipator or controller.

Dave and I arrive St Thomas Monday afternoon 4pm. To prep for ABQ trip Tuesday 6am wheels up.

Heli

I'll fly heli and GIV trip to ABQ on Tuesday,

Flight time STT-ABQ with today's wind is 6+24min (-64kts headwind).

I have airline flight from ABQ-PBI at 1:15pm on Tuesday, I'll arrive back in Palm Beach 9pm. Should work perfect. I'll schedule Bill to arrive ABQ Tuesday afternoon as well.

I'd assume Heli on LSJ 5:15am Monday?

Thank you,

Larry
