I'm conscious it wasn't something "smart" or "planned" but It was something spontaneous that I did. I didn't want to do anything mean. I wanted to have some fun and apologize for my behaviour in Paris. Italo told me I could stay at his place and I would have spent the weekend with my friends in NY. If you didn't want to see me you could just have told me or "scheduled" a better time for you without disturbing [REDACTED] and her plans. I was organized until Sunday with my friends and was happy to spend some time in NY. Don't understand why I had to leave the same night...

Ps: anyways the trip was worth it that moment you found me in the street. Very surprising and unexpected ! I know you might not find it funny, but I did :)
