I think you should explore rance . avionetta, selling its plane to elysium air. part 91. . leon can depreciate it. have no more headaches, . get reimbursed for biz travel have fewer headaches have his pilots manage maintenance. flilght extra pilots. . he should decide whether a 350k expense is worth a hangar for an old plane. not worry about federal excise tax on charter, not worry about jet and their billing etc. he could sell it for its loan. value, 21 m. take 5 years depreciateion. on the biz portion of his flights. HAVing three lawyers review the current situation wirh many new agreements oversight etc. will be counter productive
