Hello Jeffrey!

I've checked all possible jobs in NYC I could be interpreted in: my decision is event planner/ project manager. I already have a degree in hospitality and tourism, I know what I'm dealing with

I checked all the criteria needed for applying for the job, now learning and visiting every possible course, doing my homework

- typing
- phone
- marketing
- management
- budget and etc.
- all computer programs needed

all these jobs require 2-4 years of experience in event/hospitality industry

I would appreciate it if you could give me opportunity to work as an intern like [REDACTED] did (for Peggy Siegal or David Mitchell ?) I would love to discuss it with you

this all will help me to find a job I really want

this is my plan
