I think with your BBJ project, you're not going to see the Numbers you have in mind because most people look at the choice out there and take the floor plan that suits them and refurbish and fly.

some of the other bbjs are now saying cash around 24 . buys it. strange. bbj2 needs new interior bedroom etc. i think 15 m for 006 is the best you can do. 10 for new interior. that is decent. if you could get 20m chopped your owner should do it in a heartbeat. There are many 650s on the market, some ER's. I guess the next gen 500 and 600 is weighing on the prices
