It's not my fault. It's your fault that you are not chilled out

But what is this agreement??!!! You instaured it. Everytime I do something or say something you blackmail me saying: "I will never speak to you again". Why do you have to put consequences and penalties to everything??

Lies about - and tried to hide !! / school , bracelet TRIED TO HIDE !!! Tantrums , -you are right it is not a serious crime i. It is a break of an agreement that has consequences. I accepted your apology . The repeated violations of your promises was always AGREED to have a penalty of no future contact . It is simply the outcome of your actions and those consequences known to you at the time .

You are always pulling out the same arguments since ages now. Even after I apologised repeatedly, you make it seem like I did something incredibly dramatic. I never stole anything: you gave me your card, I bought something I liked, you told me I wasn't allowed to buy it, I brought it back, had a refund and apologised. Don't know why you're making such a big deal out of it. I never killed or raped anyone "It's the difference between a murder and a person who steals a bagel" !!!!

I was screaming in the street because I was sleeping since 2months on [REDACTED] coach because you left me on my own with no place where to go. I was about to be homeless and you didn't care. I had zero money to live and was working everyday as a babysitter. You wouldn't listen to me and not even speak to me when I was in the worst situation ever and in addition of all this you lied saying you weren't in Paris when I new you were there. Screaming in the street was a consequence of your actions. It was the only way since you were not answering my messages. It's not normal but I had no other options.
I also scream with my brother when we fight, doesn't mean we don't love each other anymore.

breaking agreements and expecting no consequene is not normal. screaming in the streets is not normal. screaming on the dock is not normal.

You can't compare murdering someone with doing mistakes. It's normal when you are young. It's not a reason to leave a person
