I will be in paris for the next two weeks. . I m sorry , it seems I was unclear about what I thought might be helpful. I certainly do not have any product to sell or brillaint structure to propose. Financial solutions are tailored to specific needs and requirements. It is as if you asked a doctor what medicine you should take before he examines you. :) . It is obvious that your country has a least a stomach ache , if not a more serious fundamental disorder. I am well aware that in your words I am not the only one that has solutions. What I suggested was that I more fully understand the thinking of the people in charge so that I can present constructive alternatives. If this is not of interest , I fully understand and will look forward to sharing more fun stories at our next lunch.
