Jeffery this is the restaurant business 80% failure rate
Weather is a big factor
And there is never a guarantee that the Resturant will be successful - even with great reviews
But it was conceived to be for a 4 star hotel with rates \$100 higher then we are getting
That person is a entirely different guest - different spend
At my cost I'm trying to keep it open for another 2 weeks - see if weather will corroborate and see if the restaurant can make it - we are out of cash -

i am fully on your team. fully . . I was never told that there were 23 people are your team in this deal as i was guaranteeing david to help protect YOU. I asked not to have howie make silly demands. I have been doing my best listeing to buyers questions. tom is the best hotel person. plenty of questions. super bad projections super bad due diligence. . super bad record keeping. no oversight. no cash flow numbers. etc etc etc. .

I just dont have the patience to see sooo many funky numbers. its not what i do well. this is biz not health so hardly a tragedy. in my view.

one potential said that it appears the restaurant monies have no oversight , and have been threatened with you quitting repeatedly. I really want to stay out as both of you are friends. and no matter what will always be. .

I have ignored the valuation guys questions. as they are too provocative. the benefit of spending over 600k . since dec. . nothing to show for it. . 200k per month of revenue - half of projections not off 10 , 20 or 30 percent. . .but 50 .

you told me you would know in two weeks from opening whether it would work. ? its been three months. . I only wish you guys well. . even today alans numbers do not tell me what breakeven is. even before rent. / i onlyh see numbers. . and dont pay much attention to gossip.

I believe that you have asked for an audit. . david has asked for an accounting of where money transferred to the restaurant has gone. time waste at the moment . SELLING the only thing. i think. BTW tco rules changes 2 months ago. I ve asked david to make a hardship claim. lets see.

I suggest you concentrate on getting the hotel sold. no more no less. plenty of time afterwards to do forensics on what and why . ? you and david for the moment are aligned in that one goal. . fighting over who spent what and why is silly at the moment for you both,
