Jeffrey,

I contacted to the school , got the whole information about enrolling into the programme . Now I am considering which prerequisites I can take online and which one should be taken in-person . So far, chemistry and physics, I believe should be taken in-person , I am looking for the place where I can take it.

Jeffrey,

I requested information at [REDACTED] , they should contact me soon with all information regarding to prerequisites and admission procedures. By now it is known that prerequisites are supposed to take place quite soon, late spring or summer. And definitely I should not miss them, otherwise it does not make any sense.

Also I have scheduled the appointment with Arda on this week to get full information about possibility to apply for green card. I'll ask how to increase the chance for getting it - how many publications /what kind of publications and suitable time to apply for it and etc. If it is necessary - I will do extra model jobs for publications.
