---

Radical but preferred idea. . START from scratch. there is absolutely nothing worth keeping except for ██████, nothing at all Like your tax returns that were done in triplicate. TOM RICH ALAN. . tom and rich were not really useful in the end. Start a brand new office. hire cfo. bring joe over. ██████ and samantha, run parallel for 6 months and close down elysium forever. leave your kids a functioning operation professionally constructed and managed/

LAst nov i laid out priorities IT , being the first. in July I said focus on airplane as a test . to examine procedure and proficiency, so far mostly a waste of resources time people etc. Only last week told ██████ owns 49 percent of plane. no IT to speak of. bens house unaccounted for. tax returns very very sloppy, . boat still argued as third home. . pilots bonuses? , structure unkown by all. cash sitlling at the same time loans outstanding.

Phaidon , looks like close to breakeven in a few years. others totally unknown. Query , do you really want this ? : I m not sure how you both want to have an investment office and have cash flow being eaten by publishing and loans increased by art. interest rates will be going up. . your plane will cost 10 million to refinance so will boat if sold next year-. art space and regan more cash. taxes , art purchases . Part of radical solution is to sell publishing.altogether. are the children really interested. . restructure plane from scratch. layers unnecessary.
