Good Afternoon

While you were on LSJ I mentioned about Sanfrans Dejour - Landscaper, whom has been with the company since 2014. He is a very hard worker

He was hit with a branch on GSJ, complained of a sore head, but continued working. Arrived at work the following day, had a major headache, worked the day

Went to Red Hook Family with a migraine headache, prescribed some very heavy drugs, including Valium. Over the course of the next week, he became worse, could not even drive let alone walk.

I went with him and his wife to Red Hook Family, getting a referral to see a specialist, whom believed he was over medicated, Since detoxing all drugs, then receiving the corrected medication there has been a huge improvement, with the hope that he will be back at work either the end of this week or beginning next

The point is he has used all of his sick & vacation days, would it be possible to pay him at least a week, he would pay LSJ back in time

Thank you for your consideration on this matter

Warmest regards

Karen
