Jeffrey. Hope all is well. Would you know an American or European Company that would be interested to prequalify for large construction projects in Kuwait. We are looking for companies with at least three prior projects each more than 300 million U.S.
My close friend in Kuwait has inside contacts and chances are good winning a bid because there are about ten projects for building new townships. First one comes out for bidding in February.
If you know any companies who can do this kindly refer them to me.
Warm personal regards.
Waheed.
