dear Jeffrey,
the two professors from medical school and dana faber suggest to come to new york to meet you on oct 13.
I hope this will work out.
In the mean while ,I am working on the other projects you asked.
best regards
yau

Professor Yau:

Weidong and I will be able to go to New York on October 13th. We are flexible on that day, although afternoon would be the best for us (we can fly there and come back on the same day).
Thanks a lot for your help, Qiufu
