Dear Institute Board & Colleagues,

Please find attached a PDF with the schedule of events for the inaugural UC President's Multi-Campus Symposium on Music in Relation to Brain Science, Medicine, & Education.

Our Board Lunch & Meeting will take place Thursday 1:30P-3:30P at the UCLA Faculty Center on Charles Young Drive, near the corner of Hilgard Avenue and Westholme Ave in Westwood, across the street from the UCLA Herb Alpert School of Music. The Symposium starts 7:00P in Schoenberg Theatre at the Music School. Please let me know if you would like to have dinner at the Faculty Center.

Please call or text me on my cell with any questions, needs, etc - [REDACTED] I will be on email sporadically between now and the Board meeting.

Looking forward to seeing you soon!

Cheers,
Mark
