I understand you are upset. For months now, you have been threatening both me and my family. I would again respectfully ask that you cease and desist in this out of character behavior. We both know that you are prone to severe anxiety, and though you might feel a very brief moment of misplaced pleasure, by causing damage to me, my family and my business. I would caution you, that it will undoubtedly be followed by many many years of, easily avoided, disabling anxiety. You are a young attractive intelligent woman. I would hope that you would not want to have to look over your shoulders for the many years to come and wonder whether, in the middle of a meal with your son, or at the deepest point of a very peaceful deep sleep with a new boyfriend that the knock on the door is finally the police coming to arrest you. As you are aware, I have a very good long term memory. very good. That being said I will continue to make payments to you of 100k per month. It is clearly not the 100 million cash payment that you demanded but I hope upon reflection that you will lead a long happy financially secure life. being supported at a level that most people could never even dream of. .
