I just sent emails regarding TSG and VINGN

Reefco – not sure what open topic is as my understanding is last two items they worked on have been completed (STC AC and Gym AC) - please advise if there is something else that needs to be followed up with

TSG / RO Plant – not sure what open topic is as well – Bob Peterson in email just sent to you was asking to do a site visit with Anna and Danny on Sep 3 and then a call with me after there findings – I assume meeting never happening / we also need computer access if we chose to part with TSG
