1. will do. do your homework prepare your questions . His wife is current ambassador from norway to england. he is very funny, - , what types of people would you enjoy. finance, , biz 2. only for definitional purposes can we assert that language is specie specific. ? human- bee -computer. 3. why is it anymore than signal intelligence ie taking a signal and with a few wheels and spins , finding meaning. some of the wheels come with the equipment pre set , wheels and spinning are dynamic. btw I laughed at our ehud meeting , as my constant refrain to the neuro guys is -just start by telling me how the brain of a fly works.

if you think it would be fun I could set up a meal with Terje Roed Larsen, . , oslo accords. he is a very close friend. I think you might enjoy it. .

Would be quite interesting, if you can work it out. Have to say that your contacts around the world are impressive – if not jaw-dropping.

On another note , i now wonder if a language could be defined as something a baby can make sense of. . that would eliminate computers bees etc.

I don't see how this would get us anywhere. Similarly, if we defined the waggle dance as something that bees makes sense of that wouldn't help us understand what it is.
