Jeffrey! Thank you so much. You are probably not realizing how much you're doing for me and what it would cause for humanity! You've started a revolution to the better in me and I embrace it a lot.

You became such a dear friend to me!!! Such an inspiration and fun!

I loved [REDACTED]. She started opening up today probably for the first time and she has so much kindness and love... thank you for this beautiful connection! She is special. Everything coming from you is a magic.

Thank you. I feel amazing with the new hairdress (feeling almost like on this photo or even better)!

Your female Warren Buffet 😊
