Dear Ann Rodriguez,

Please accept my apologies for the delay in my reply to you. Your message disappeared somewhere in my system which I retrieved today. I'm not sure if the enquiry is still active. If it's still active please let me know what the purpose is for the boat and who the end user is. What brand and type of boats are currently in use? Where is the end user / buyer located? Is this boat going to be part of a tender? Can you provide me some more details on the requirements of the boats such as maximum speed, range, amount of people that need to be seated on board? Any other specific requirements?

Looking forward to your reply.

Kind regards,

Frank Relou
