Brice would like to switch HVAC monitoring from ECI to Horizon
Annual cost savings will be approximately 2,510.00

My only concern was that Horizon has never done this work before and that Horizon is now Brice's preferred vendor who is getting a lot of our work

Please advise if ok to make change
Thank you

Horizon at this time does not provide monitoring service to other clients, this would be a one service.

Please note the following:

Horizon did all building automation installation, monitoring and repair on all Chant Facilities NM from 1996 to 2005, Chant sold out to BGK which is now Rosemont.

These Facilities included AOL, now Lowes Call center, T mobil call center, clear channel / state farm building.

At present, Horizon is contracted by Trane to install building automation and Honeywell controls systems

I hope this addresses your concerns

thank you

Attached Monitoring Contract for HVAC system at Zorro
As discussed

ECI's Contract for monitoring HVAC was not renewed and I approached Horizon Mechanical to provide a new contract.
I would like to proceed with Horizon, starting October 1st 2015, on a monthly basis, at a cost of \$427.50. ECI cost was \$636.65 per month.

Can we proceed?
