Hey [REDACTED],

Hope all is well with you!

Could you let Jeffrey know that I completed the lectures as well as reviewed the documents that corresponded on iTunes University that he recommended me to. It is a wealth information and could be intimidating at first, but it did the complete opposite. I'm more determine now than when him and I spoke last. I know its a long road ahead, but I'm willing to take that road, because it's too important not to.

Please let him know that I really appreciate the guidance he's giving me and hope he's willing to continue to guide me in the right direction.

Thank you,
