Hello Mr. Epstein,

Rich and I connected this afternoon with Danny as he was out of cell phone service yesterday. Danny wants to bring Guy back to work tomorrow and Guy will report directly to Anna. Danny still doesn't believe that I caught his son sleeping. We agreed to work together to complete present and future projects for LSJ and you.

Rich, Anna and I spoke following the conversation with Danny and we agreed that the three of us would communicate daily and Anna and I would create a unison to be more effective in managing LSJ and we would support each other. Anna and I would also need to meet at least twice if not three times a day to review what is going on. Anna will support any decision you make for Guy and thought he should be given a final warning if brought back.

We will support your decision in this matter. Is it okay to bring Guy back with a final warning?

Best Anna & Leighton

the guy issue is complex. leighton would like my support. and i think that appropriate, however i specifically asked prior to guys termination whether danny was on board and recieved a yes, i spoke to him. . you can blame it on me and say i thought i was told that danny was ok, with it. i might have misunderstood. we cant lose danny during the next month.
