There is an information who is missing. Talking about the former Emir: his architect and manager of the Moroccan properties, Driss Ait Salah, visited Bin Ennakhil on behalf of his boss, searching for a property for his wife. He offered 30 ! Some months later, they offered also 30 for a ridiculous property next to Bab Atlas. The owner tried to play a game, expecting more money. He missed the opportunity of his life. Nobody will pay more than 8 or 10 !

Art is transportable . Houses are not , I was offered an entire Italian village for 15 . The market is what people are willing to pay . Mr. kiss has not had one real non baksheesh offer . The two biggest Arab buyers , have both told me . No one from either of their countries would pay even 20

Thoughts ? Yes. No one day without trying to find THE solution.
I know the local market very well. You will never find a similar property.
And honestly, you felt so well and appreciated the two hours spend in the palace.
Bin Ennakhil seems to have been built for you.

I am not your advisor and I am unable to invest with you !
But are 40 million € such an unrealistic investment for this unique piece of art ?
I can ensure two things: I would fight to get this bit accepted and be there to help with my expertise for the maintenance update and development.
