Hello Richard and Merwin,

I trust that everything is on schedule for us to begin dismantling the system this coming Monday morning. Please advise us if there are any issues with us beginning then. Please note that lights will be out in most of the residence. We will have temporary lighting set up to allow us to work but certainly not enough to cover the entire home.

ON a similar note and am hopeful that Mr. Epstein was okay with our "work in progress" appearance and that our presence wasn't a great inconvenience.

Regards,
Al
