I think of things everyday. When I told you about the camera, I don't care about the object itself; I Can buy it myself. It's just the concept that you gave my birthday present to someone else that made me upset. It's different. I give a lot to people, also since I'm here in China. I thank god everyday for all the beautiful things that I have got in my Life and how lucky I am to spend some time in this country. When I speak to you it's because I enjoy hearing from you, not because I want, get, take something and when I tell you I would like to come to the ranch it's because I miss u. I'm sorry you didn't understand nothing about me.
