Pokey was scheduled to be completed 8/21

- he had to replace plywood subfloor/lost two days
- he was out three working days last week
- he has no helpers as they are on other jobs
- progress is slow - he cannot be pushed
- words came with a tongue on end - old floor did not have. he has to cut off on some - time consuming.
- based on rate he is going finish floor - new projected date 8/28
- then there is putting room back together and cleaning - 1 day
- bathroom needs mold remediation including rug and replacing pad - Anna needs to schedule for 8/31 with ReefCo once all items are out of bathroom or schedule now to move date up.
- **New target day - 9/2/15** (as long as pokey doesn't disappear again)
