Maybe I'm missing the point. For me Life is all about giving and being happy. What is the point of living an unhappy life ?! Why ? I am so happy and grateful for what I have and if I can make someone happy it's even better. You didn't answer my question: "What should I change about myself" ? Can you tell me explicitly What should I do ????

Isn't it enough to be happy ? Can you tell me were is the bulshit ?

In short, what I can say is that I havn't tried hard enough to achieve my goals and I've acted like a "dumbfuck". This doesn't mean I will not do it and that I have been bulshitting you. Thank you for all the time that you gave me... and since then the changes are ,.....!!!???
