Hello Mr. Epstein,
When Anna, Chris Peter and I reviewed the waterfall with you I recalled you wanted the (4) waterfall drops at three to four feet in height for each. Is that correct? If not what is the correct height for all (4) water fall areas?

The attached picture shows the (2) of the drops at 12 to 14" in height which isn't dramatic. Do you have any photos of any water falls you like?

Best,
Leighton
