easy, you should decide budget. ? best value for money now is gulf 5, many on the market, less than 15 m, , global 5000 less than 20m . gulfstream 550 less than 25m . decision based on taste of current layout. placement of sofa etc. . if you can find one that you like and fly immediatly , we want to keep layout, you can change fabrics and paint easily if you want. will you finance it at the bank, also easy, 1.5 over libor ? if you want to charter it to third parties it needs a special certificate, called 135. has restrictions on fabrics , pilot time, bed etc . or totallly private to you , is part 91. . you can lend to your friends if you want , but cannot hire out. after contract you put the plane in for a pre-buy, a thorough check , the seller needs to make everything perfect, can sometimes cost the seller as much as a millon, . engines are checked, its a week process. ITs all fun however,
